# Flooding in the Low Countries (1570-1588)

## Flooding Category:

Natural vs Military

All

Select an option to see the military, naturally occurring, and unknown floods on the map

## Flooding Event:

All

Select a flooding event to see the affected ..

### Event

- Unassociated
- All Saints Flood
- Relief of Leiden
- Siege of Alkmaar
- Siege of Amsterd..
- Siege of Antwerp
- Siege of Haarlem
- Siege of Schoonl
- Siege of Woerde
- Siege of Woerde
- Siege of Zierikze

## Affected cities from a Flooding Event

All

Select a flooding event to see the cities affected and dates of the floods listed below

### Note:

1. The map may disappear when several filters are active if the results do not yield any affected cities. For instance, selecting the military floods category and the All Saints Flood event will yield no results and thus make the map disappear.
2. Some of the cities which endured multiple flooding events only list one of the associated events when hovered over.

Aardenburg	July 31, 1584
Aardswoud	September 26, 1573
Abbenbroek	November 1, 1570
Ablasterdam	August 14, 1575
Alkmaar	November 1, 1570
	October 1, 1573
	May 26, 1575
Almkerk	April 11, 1587
