DIRECTOR'S NOTES

It is my privilege to work on *Catch a Rising Star 2004*. This show is a collection of 3rd year Commercial Performance Critiques and 2nd year Dance Critiques. For these critiques, students have the opportunity to create a showcase for themselves, singing and dancing to music that inspires them. Every year the quality of these performances is outstanding and tonight we present a sample of the enormous talent here at Sheridan College. How often do you hear at work “I want to do more” or “I’ll do it”? For the last four weeks I have heard those comments time and time again. The enthusiasm and work ethic of these students is inspiring. As a team, we have practiced day and night to put this show together for you, and we hope you enjoy watching it as much as we have enjoyed putting it all together.

Special thanks to Greg for the opportunity, Rod for the inspiration, David Juby who never fails to create the most amazing sets and costumes, an amazing production team – Martin, Adam & Nick, a terrific (and slightly wry) Stage Management team – Michelle, Dan & Stephanie, and finally to my partner in crime on this project, Alan Poaps, whose musical genius and phenomenal recordings you are hearing tonight.

Enjoy!

Stephen Greig
