DIRECTOR'S NOTES

In 1987 Theatre Sheridan presented our first Bernstein show *Wonderful Town*. One of the performers was a young man, David Connolly, who has become an amazing award-winning, international director/choreographer. David has rejoined our production team of Gillian Saunders-Herron, David Myers and Danny Austin for *On The Town* and together we are proud to bring to you a production that showcases the high quality of Sheridan's Music Theatre and Technical Theatre students' work.

Not only is it my joy to be working with such a team, but to have the students be exposed to such exciting talent is the stuff that has made Sheridan's Music Theatre *numero uno* as a training ground for young professionals.

Thanks again for being our patrons and for your encouragement to our young performers.

Enjoy!

Rod Maxwell
