DIRECTOR'S NOTES

The play Charley's Aunt is a real old chestnut, and nearly every summer stock company in North America has performed it over the past 75 years.

In 1949, Frank Loesser wrote the musical version of the play and called it Where's Charley? The production starred Ray Bolger, and soon both Ray, and the song 'Once in Love with Amy,' became music theatre classics.

This musical gives our students experience in physical humour and the pacing of a farce. David Myers, Jim White and I invite you to lose yourself in the wonderful world of England in 1902, as interpreted by us, the Marx Brothers and Bugs Bunny.

Enjoy!

Rod Maxwell
