Launch Your Career @ Sheridan College

Music Theatre – Performance
For more than 28 years, Sheridan’s Music Theatre – Performance Program has enjoyed the enviable reputation of being the finest music theatre training program in Canada. This three-year diploma program features intensive and highly personalized theatrical training, as well as practical audition techniques and commercial performance skills.

Theatre Arts – Technical Production
This intensive two-year, hands-on, apprenticeship-style program focuses on meeting the demands of the industry for competent, responsible technicians who have a positive attitude, and the stamina to work long hours in an independent manner. Graduates work in theatre, music, dance, special events, film and the technical equipment industry.

Theatre and Drama Studies
A unique program shared between Sheridan College and the University of Toronto at Erindale. This four-year program offers extensive practical training in acting, balanced with a thorough exploration of dramatic history, theory and literature. Graduates receive both a four-year honours University of Toronto degree (with specialist designation) and a Sheridan diploma.

All students receive practical work placement as an extension of their classroom training.
