This light-hearted love romp through 'The Roaring Twenties' tells the story of a poor little rich girl searching for a boyfriend to love her, not her fortune. Charming lovers, flamboyant flappers, lively dances and a happy-ever-after ending all add to the joy of this piece of '20s nostalgia.

This was a time of conservatism and great social change. It was the age of prohibition, prosperity and Jazz, Jazz, Jazz. This era featured musicians the likes of Bessie Smith, Duke Ellington and the great George Gershwin. It was a time of new inventions - the automobile, the radio and the airplane. Young artists such as Al Jolson, Charlie Chaplin, F. Scott Fitzgerald, Ernest Hemingway and Robert Frost paved the way for a new expression. The cloche hat, the tube dress, European nightclubs and the Speakeasy were all the rage. It was 'The Roaring Twenties.'

On behalf of our cast, crew, and the staff of the Theatre Sheridan Department, it gives me great pleasure to welcome you, our audience, to this delightful entertainment. So, sit back, relax, and join us as we celebrate the memory of the "Twenties" with our new creation—The Boyfriend.

Music Theatre – Performance

For more than 26 years, Sheridan’s Music Theatre - Performance Program has enjoyed the envious reputation of being the finest music theatre training program in Canada. Our graduates are well respected in the industry because of their thorough grounding in the disciplines of acting, singing and dancing – making them, in the jargon of this most exciting business, genuine “triple threats.”

This three-year diploma program features intensive and highly personalized theatrical training, as well as practical audition techniques and commercial performance skills.

Theatre and Drama Studies

This unique program is shared between Sheridan College and the University of Toronto at Erindale. The four-year program offers extensive practical training in acting, balanced with a thorough exploration of dramatic history, theory and literature.

Upon successful completion of the program, students receive both a four-year honours University of Toronto degree (with specialist designation) and a Sheridan College diploma.

Theatre Arts – Technical Production

Theatre Arts - Technical Production is an intensive two-year, hands-on, apprenticeship-style program. The courses focus on meeting the demands of the industry for competent, responsible technicians who have a positive attitude, and the stamina to work long hours in an independent manner.

This program has been designed to train entry-level professional technicians for the increasingly sophisticated theatre production industry. Graduates from this program work in theatre, music, dance, special events, film and the technical equipment industry.

Theatre Sheridan and Theatre Erindale offer practical work placement to the Technical Production, Performance, and Theatre and Drama Studies students as an extension of their classroom training.
