During the school year, we see amazing growth in our students and, not surprisingly, some very imaginative and creative projects. It is here, in these projects, that the students learn to hone their craft.

We thought you would enjoy seeing (as much as the faculty and staff does), the results of these presentations. Experience with us the formation of the stars of tomorrow.

So sit back and enjoy!

The 2nd-Year Dance Critiques have always been an integral part of the *Catch a Rising Star* show, and this year is no exception. The Dance Critiques are created by the 2nd-year students as part of their Dance Performance class. The criteria for these pieces is simple — it must be a dance-based theatrical presentation. The students develop their concept, choose their cast, costume the dancers, and spend hours rehearsing the presentation. The results are more than impressive. The Dance performances that you see tonight are representative of this most talented 2nd-year class.

The performances you will see this evening will reflect the two-and-a-half years of training our 3rd-year students have experienced. Weekly classes using microphones, sound systems, and live musicians have facilitated the ease and confidence these young performers present.

Each student is encouraged to find their own unique and distinctive sound in a wide range of musical styles, from Pop, Jazz and Country to Alternative Rock.

There are many opportunities to be hired for “Commercial” venues, such as the Cruise Ships, Wonderland, Ontario Place and Disney, to name a few. The practical work done in class and in performances such as this one give our students a definite edge when it comes time to audition, and their success rate is high!

The 3rd-year Presentations comes from work done in the 3rd-year Music Theatre workshop. This course consists of assigned solos and ensemble pieces from the 20th century opera and music theatre repertoire. The assignments are designed to further the students' abilities as musicians and actors, and to bring these skills together in a realistic and vocally sound fashion. Emphasis is placed on the student's ability to create a believable character while singing some of the most intricate material in the repertoire. The students are expected to interact with a director, accompanist, and singing coach in a professional manner, while also having some fun!

Music Theatre — Performance

For more than 25 years Sheridan's Music Theatre — Performance Program has enjoyed the envious reputation of being the finest music theatre training program in Canada. Our graduates are well respected in the industry because of their thorough grounding in the disciplines of acting, singing and dancing — making them, in the jargon of this most exciting business, genuine “triple threats.”

This three-year diploma program features intensive and highly personalized theatrical training, as well as practical audition techniques and commercial performance skills.

Theatre Arts — Technical Production

Theatre Arts — Technical Production is an intensive two-year, hands-on, apprenticeship-style program. The courses focus on meeting the demands of the industry for competent, responsible technicians who have a positive attitude, and the stamina to work long hours in an independent manner.

This program has been designed to train entry-level professional technicians for the increasingly sophisticated theatre production industry. Graduates from this program work in theatre, music, dance, special events, film and the technical equipment industry.

Theatre Sheridan and Theatre Erindale offer practical work placement to the Technical Production, Performance, and Theatre and Drama Studies students as an extension of their classroom training.

The Second Annual Theatre Sheridan Fundraising Gala

March 1, 2000

This exciting evening will include dynamic performances by our talented students, hors d’oeuvres and dessert reception, complimentary bar tickets and more.

Your donation will contribute to improving Sheridan Hall’s performance and technical capabilities. Last year’s Gala raised more than $10,000 for professional sound equipment, which greatly improved patrons’ enjoyment of performances. With your help we will do even more this year.

Call (905) 845-9430, ext. 3015 for tickets.
