Central Park Tango

Book by Robert Gontier

Music by Nicky Phillips

Lyrics by Robert Gontier & Nicky Phillips

CENTRAL PARK TANGO is based on the real life story of Roy and Silo, two male chinstrap penguins from the Central Park Zoo who wish to have a family of their own. In this new musical we learn how Roy and Silo meet. We see how their relationship grows and how the penguin community around them challenges and reacts to their union. A penguin musical about the modern day family.

Come From Away

Book, Music & Lyrics by David Hein & Irene Sankoff

COME FROM AWAY is based on the true story of when seven thousand people landed on the doorstep of Gander, Newfoundland... and the people of Gander" put the kettle on." A rocking musical about when 38 planes from around the world were diverted to a small, Canadian community on September 11th, 2001 - doubling its population in an instant. While the world witnessed the worst acts of humankind, the stranded passengers had their faith in humanity restored by the spirited people who comforted those who had come from away.
