DIRECTOR'S NOTES

To my cast of *Hello Dolly*. Thank you for giving me the great opportunity to work with you all - the future of the Canadian musical theatre scene. Your great talents, dedication and openness of spirit gave me a beautiful clean canvas on which to bring *Hello Dolly* to life.

On our first day of rehearsal little did I know that I would be so affected by the sensibilities that *Hello Dolly* have given us all. Every character is looking for validation in knowing that we matter and each characters journey is one and the same. We all come to realize through this old fashioned musical that " it only takes a moment to be loved a whole life long" What a great message for the 21st century.

I thank you all for your trust. I thank you all for your sense of adventure. I thank you all for being rich in humour and I thank you all for making these few short weeks together an experience I will never forget.

Your director
